Sparkle & Shine

We have enjoyed learning how to say "Dw i'n hoffi" and "Dw i ddim yn hoffi". In Maths, we have been developing our understanding of subtraction and practising how to take away numbers. We have also been busy making magical projectors, using our creativity and imagination. In Literacy, we have been practising our tricky words, while in Phonics we have been learning new sounds to help us become more confident readers and writers.

Celebrations Around the World

We have been discussing our likes and dislikes in Cymraeg. We have also started creating posters to share our ideas and showcase our learning. We are very excited for our grown-ups to come and watch our Christmas Show and have been working hard during rehearsals. In Science, we have been exploring electrical circuits and investigating which materials are good conductors. As part of our topic work, we have been learning about how people celebrate special days and comparing different traditions and customs. In Maths, we have been developing our subtraction skills by exploring Frog Method.

Echoes of Eryri

We have thoroughly enjoyed rehearsing for our Christmas Show and are excited to share our performance with you. In Maths, we have been exploring the relationship between multiplication and division, using our understanding to solve a range of division word problems. In Explore and Express, we retold the Christmas Story in our own unique ways, using rich and descriptive vocabulary to engage our readers and bring the story to life.
