The latest news from the children of Ysgol Borthyn

Dosbarth Onnen

We enjoyed practising our mark making and writing about our Colour Monsters. We used choice boards to demonstrate our understanding of how humans grow and change. We also used our measuring skills to explore how people grow over time. We're having so much fun with our learning and proud of the new skills we are developing!

Dosbarth Helyg

We've been developing our coding skills by programming micro:bits to create our own name badges. We celebrated Owain Glyndŵr Day by designing and making clay coins, and we enjoyed tasting a variety of fruits. We had lots of fun creating friendship potions and have been building our understanding of place value in Maths. We have also been making thoughtful predictions about our class novel, George's Marvellous Medicine.

Dosbarth Derwen

In Maths, we compared numbers to 1 million using the symbols $<$, $>$ and $=$. We had an exciting visit to our very own 'Titanic Museum', where we explored the different rooms and facilities that were on board the Titanic. To celebrate Owain Glyndŵr Day, we designed our own coats of arms inspired by his love and pride for Wales. As part of Coding Week, we used our creativity and problem-solving skills to design and create our own castle-themed computer games.
