Dosbarth Onnen

Happy, Healthy Me

We have been enjoying our time in Forest School, where we worked together to create a beautiful Harvest Banner. We have been developing our mark-making skills and writing about The Colour Monster. We even had great fun feeding the Colour Monster numbers! In Maths, we have been practising counting in order and developing our addition skills. We have also been busy designing and creating our own mini-me models, showing lots of creativity and imagination.

Dosbarth Helyg

Dyma Fi!

We have loved starting our new class novel, George's Marvellous Medicine. We have been writing character descriptions and explored Chapter 1. In Maths, we have been partitioning numbers and completing place value challenges to deepen our understanding of number. In Science, we have been learning about the human body and labelling different organs. During PE, we have been practising our throwing and catching skills, improving our coordination and teamwork.

Dosbarth Derwen

Water & Ice

We have enjoyed creating Welsh animations about ourselves, 'Dyma Fi', using Adobe Spark. In Maths, we have been developing our understanding of number lines and learning how to accurately locate and estimate numbers. As part of our Titanic topic, we have used adventurous and descriptive vocabulary to bring our writing to life. We have also begun preparing for our class assembly on Generosity, creating beautiful watercolour artwork to support our learning and presentation.
