Happy, Healthy Me

This week, we worked with our talking partners to describe our Colour Monsters and then followed each other's descriptions to draw them. In Numeracy, we practised counting objects that could only be seen through a window, helping us to develop our observation and counting skills. We also measured each other to see how much we have grown. In Forest School, we had lots of fun exploring outdoors, and we began creating our own "Little Me" models using junk modelling materials.

Dosbarth Helyg

Dyma Fi!

We've been developing our problem-solving skills by completing logic puzzles. In Cymraeg, we have been sharing information about ourselves and building our confidence in speaking and writing in Welsh. We thoroughly enjoyed our Forest School session, exploring the outdoors and learning through play and discovery. In Literacy, we have been collecting rhyming words and phrases to use in our poems, and we also completed a comprehension activity all about the Harvest Festival.

Dosbarth Derwen

Water & Ice

We have been busy drafting our Titanic leaflets. In Numeracy, we have enjoyed learning how to use the column method for addition by writing a Headteacher's Report for Doodle Maths and calculating Titanic ticket prices. With Mrs Grant, we edited and improved our Creation Story drafts, making our writing even better. We also had a fantastic time at St Peter's Church for Thoughtful Thursday, where Rev Luke helped us learn more about our school value of Generosity. Thank you for the sweets, Rev Luke!
