Dosbarth Onnen

Happy, Healthy Me

This week, we have used our counting skills to find all the hidden Colour Monsters and practised careful counting. We have been dancing and moving to music, using different emotions as our inspiration. In phonics, we have been learning new sounds and practising hearing and recognising them in words. We have also created a digital All About Me page sharing lots of information about ourselves.

Dosbarth Helyg

Dyma Fi!

This week, we investigated what happens to eggshells in different liquids. We celebrated Diwrnod Su'mae by creating posters and animations to encourage people to speak Welsh. We have been practising our Harvest poem and started writing our own magic poems. In Maths, we have been ordering numbers. In RVE, we compared Harvest and Sukkot, learning about different ways people celebrate and give thanks.

Dosbarth Derwen

Water & Ice

We loved learning about Roman Numerals and using column method to add and subtract. During Explore and Express, our theme was Diwrnod Su'mae, and we chose our own ways to encourage others to speak more Welsh. We created posters, performed plays, wrote songs, and created questionnaires. We have also been making leaflets all about the Titanic, creating water-themed dances with Mrs Grant, and raising awareness about pollution.

Senedd

Cymraeg Campus

We spread information about Diwrnod Shwmae, Su'mae day using posters and colouring sheets.

Christian Values

We worked together to make a Kindness display in the school hall.

Eco Council

We discussed how planting flowers and weeding attracts butterflies and other insects. We want to plant more flowers in Forest School.
