Sparkle & Shine

We have been enjoying our independent challenges, creating firework pictures and taking photographs of our work. We have been learning about firework safety and sorting different scenarios into safe and unsafe choices. In maths, we have been practising our number bonds with fun firework-themed activities. We have also been using choice board timelines to explore and share important events in our lives.

Places Around the World

We created a concept map of questions about our new topic. We read a story called Little Glow and discussed what light can represent to different people. We also designed Bonfire Night posters and enjoyed talking about why Bonfire Night is celebrated. In Maths, we have been working on addition. We have also started learning about electricity. In PE, we enjoyed taking part in yoga and gymnastics activities. We were also visited by PC Llinos, who taught us about staying safe online and how to make sensible choices when using the internet and digital devices.

Echoes of Eryri

We have been learning about multiples, factors and prime numbers in Maths. We have also started our exciting new topic, Echoes of Eryri, and read the first chapter of our new class novel, The Snow Spider. In RVE, we've been writing our own creation stories. We listened carefully to an online safety lesson from PC Llinos and learned how to stay safe when using the internet. In Cymraeg, we learned how to describe people using 'mae ganddo fo' and 'mae ganddi hi'.

Join the **Cake Bake Competition**!
Bake and decorate a cake or biscuits with a Pudsey-theme. The best entry from each class will receive a small prize.

Cakes and biscuits will be on sale for 20p each, with all money raised going to the Children in Need charity.
