Sparkle & Shine

We made poppies using a choice board for Remembrance Day. In Maths, we used part-whole models to help us with our number bonds. In RVE, we learnt all about baptisms - we put our ideas on big pieces of paper! We enjoyed Pudsey themed activities today.

Dosbarth Helyg

Celebrations Around the World

We wrote Remembrance poems and created our own artwork. In Science, we've been investigating circuits. In Maths,, we've been rounding to 10 and 100 and adding using the column method.
In Forest School, we created our own poppies from sticks and wool. We can't wait to stat practising for the Christmas Show! We also learnt about our digital footprints by talking about websites we use online.

Echoes of Eryri

In Maths, we have learned how to use the lattice method for multiplication. We started our class book, The Snow Spider – we have been introduced to Gwyn, the main character of the story. We are VERY excited to practice our Christmas Show. For Remembrance Day, we read the poem In Flanders Field and shared the message in Explore and Express. We took part in the Growing Up talk, learning all about what happens to our bodies as we grow older.
